(1) 鍛煉叫人的生命去蕪存菁 (vv.1-4)

Training through hardships can facilitate a pure spiritual life.

*神苦煉人，要一直做到神能看見人身上有：

(i) 神的誠命在其中(Acquisition of God's commandments)

(ii) 神的誠命行出來(Observation of God's commandments)

*苦煉的行動雖然在外面發生，但要改變的卻在裡面，不在乎外面。

Brothers and sisters, what God wants to humble us is in the inside of our lives rather than on the outside. God wants us to transform inside so that we can subscribe God's commandments and have the spirit to execute God's commandments in our lives.

(2) 養兒方知父母心 (vv.5-10)

One can recognize his or her parents' hearts during parenting.
